David,  
We respectfully suggest that Palantir withdraw the Section 1782 application. We will set forth the reasons on Friday.

We would be happy to discuss the issues raised in our pleading at your convenience. J

Dear Jack, Barry, and Steve:

As you know, we act for Palantir in connection with their 1782 Application that is currently pending in front of Judge Corley in the Northern District of California.

Following up on my conversation with Steve on Saturday, to the extent Mr. Abramowitz intends to oppose Palantir's application on the basis that the proposed subpoena is overly broad or unduly burdensome, Palantir would be willing to meet and confer to determine whether the parties can resolve Mr. Abramowitz's objections as to the scope of the requested discovery. If Mr. Abramowitz is interested in participating in a meet and confer, please propose some potential times.

Very truly yours,

David
